# State Election

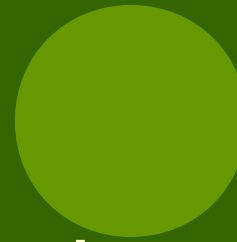

- 'One Million Homes' campaign
  - Coalition of environment & social sector
    - ATA, Environment Victoria, VCOSS, Brotherhood St Laurence, Moreland Energy Foundation, Uniting Care Church
  - Reduce bills <\$300 per annum
  - Save 2.38 MT CO<sub>2</sub>e + 30 GL of water (per year)
  - Low income households
  - Audits + targeted retrofit
  - Extrapolate nationally

One  
Million  
Homes

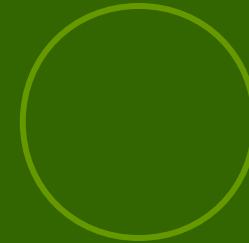

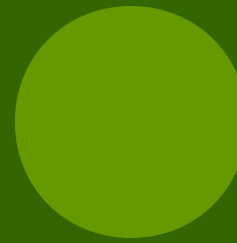

# State Election

- Water 'Policy Screening'
  - with *WaterMark Australia*
  - screen Vic candidates on commitment to water efficiency
    - (conservation, re-use, fit for purpose, recycling, sustainable capture)
  - will seek ATA member involvement in process

# State Election

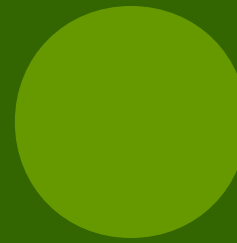

- 'Replace Hazelwood' campaign
  - 15% of Victoria's emissions, 3% of national
  - 27 GL of water per annum
  - Coalition led by Environment Victoria
  - Option A: Replace with gas and wind
  - Option B: Gas, wind + demand mgt / EE

**HELP**  
**Replace Australia's dirtiest**  
**power station** **with**  
**clean energy**

by 2012

# Federal Election

- The ATA wants:

1. A Carbon Price

2. Increase the RET:

- To 30%, large and small scale

1. A national Feed-in-Tariff:

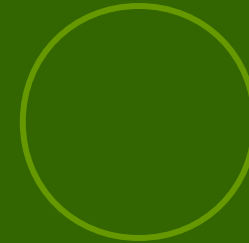

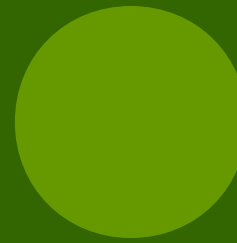

- Small scale / Community Scale / Large Scale  
Emerging

1. A national Energy Efficiency Target:

- National framework – white certificates (VEET)
- 8 star homes, appliances and commercial bldgs
- 4 million homes retrofit program

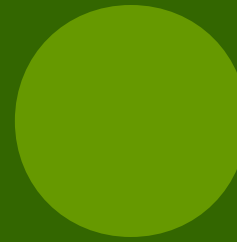

# Energy Projects

- 'Fringe of Grid' Study:
  - market research
  - economic modeling
- Increased NEM advocacy:
  - smart meters (national & Victoria)
  - RET and FiTs
  - energy efficiency / demand mgt
- Brimbank wind monitoring
- Local govt / community advice

# Water Projects

- **Advocacy:**
  - National Pricing Principles for Water
  - Water Efficiency Labelling Scheme (WELS)
  - New plumbing provisions as part of the National Construction Code
- **Tankulator!**
- **South Australia:**
  - joined 'Water Action Coalitio
  - community / enviro groups
  - pressure SA govt on policy

*Mirror, Mirror on the Wall,  
I am going to Install them All-*

Thank You!
