

ATA Melbourne Branch

Agenda for Meeting to be held:

On: Wednesday 15th July 2009 at 5:45 pm

Venue: The offices of URS, Level 6, 1 Southbank Boulevard, Southbank

Housekeeping

- Melbourne Branch member email list
- Stock for sale including membership form – see Justin Harding, Treasurer
- Gold coin donation
- Thanks to URS & Mike Jorgenson for permitting us to use their premises

1. Apologies:
3. Minutes of last meeting:
4. Business Arising:
5. Past Events:
 - June Monthly Meeting “How to have a garden in a drought” – Convenor Lance Collins, 38 attendees
6. Coming Events:
 - August 19th “Follow up on electric vehicles (incl. hybrids)” – Convenor Steve Melzer
7. Correspondence:
8. Innovations:
9. Members Forum (Questions/Comments from the floor):
10. Close of meeting
11. Topic of the night

“REC’s, GreenPower, community power etc” Convenor – Jim Lambert

The topics covered will aim to include Renewable Energy Certificates (REC’s), GreenPower, Feed-in-tariffs and Smart Metering.

An introductory presentation by Jim will aim to demystify the terms mentioned above, which are frequently discussed but not always understood by all!

Guest Speaker: Damien Moyse, ATA’s Energy Projects & Policy Manger, will speak about recent negotiations with government.

Please Note:

1. Please attempt to be on time. The venue for this meeting has a locked door security policy. If you are running late please call 0433 187 702 for someone to let you in.
2. A “gold coin” donation will be asked for to cover this subgroup’s expenses.
